【About Poster Presentation】

zPoster presentation	Guidelines for Poster Presentation	Remarks
Visit of poster presenters	・Poster presenters will be asked to present at the poster session at RIEC on the day of the presentation. ・Travel expenses for poster session presenters and auditor travel expenses can be spent from each project expense. 　If you wish to use the library, please contact The research collaborator of RIEC.	・Please check with the instructor in charge of the research collaborator of RIEC for the procedures for travel expenses from the research expenses for each project.
Instructions for creating posters ***Submission of PDF data to the secretariat is not required**	・No specific template is provided for the poster. 　Each presentation must be displayed on one vertical poster board. 　The total display area is one board, with dimensions not exceeding 145 cm in height and 80 cm in width. ・ Please include the presenter's contact information in the poster so that the poster viewer can contact the presenter. ・ Poster Language: Japanese or English (Bilingual is fine.) ・ The organizer will place a panel at the top of the poster board with the information of "poster number, presentation title, presenter name, organization, and adoption number" printed on it. The presenter does not need that information. ・ <Category A, S, SI, T> To print posters for this presentation, you can pay the fee for using large-scale printers from each project cost. 　If you wish to use the facility, please contact the faculty member in charge of the research collaborator of RIEC.	＜Scene from the 2023 poster session venue＞
About the display of posters	・Details on the poster exhibition for the poster session will be announced later. In that case, please check the number, etc. from the "List of Poster Presenters" sent in advance, and post it on the designated poster board yourself.	・Posters can be displayed from 9:00 on the day of the presentation. 　Please post the posters until the time when the poster session ends.
